

Dear Parents

Please click the link below or copy and paste into your browser to order uniform and book packs.

A separate form must be completed for each child. Please give your mobile numbers correctly.

We strongly recommend students aged below 6 i.e. Y1 (KG2) or below purchase the face shield and cap as we require our younger children to wear face shields and the cap can be used later as a school sun hat for outdoor play as the screen is detachable.

A small stationery pack is included in the book pack to ensure all children have a wipeable pencil case with their own stationery to avoid sharing resources.

Books are required for all children following the blended model with any face to face days.

It is essential in the current situation that you buy your child their own books and stationery packs so they are not using other people's or communal resources which can transfer germs.

PE t shirts will be provided in the house colour assigned to your child in the school's database. (This is not applicable for FS1)

We will call and/or email when the order is ready for collection and give an appointment for pick up.

Whilst we accept cash or card payment we would prefer card payment in line with Covid best practice. Payment can be taken without you leaving your car using our wireless device
