

ADEK Question a Day Initiative

Dear Parent,

ADEK have confirmed the continuation of the Question a Day Initiative commencing Sunday 28th January 2018 for each of the students in Grade 3 and Grade 7 in preparation of an international assessment ADEK require them to sit in the 2018/2019 academic year when they are in Grade 4 and Grade 8. The "Question a Day" (QaD) initiative focuses on improving students cognitive reasoning skills.

The ADEK QaD initiative requires each student to complete a Maths and Science question each day from Sunday to Thursday. This should be done as a daily homework task and without the help of any adults. The questions should take between 40 seconds to 2 minutes to complete and will become more challenging throughout the week. The school will receive a summary of results each week which informs the school of participation and areas of development for the whole cohort of students to inform future planning.

You child's log in details will remain the same as term 1, if you have forgotten them please contact Miss Vikki vikki.k@albasmaschool.ae or Mr Glen glen.b@albasmaschool.ae.

We ask that you assist in encouraging your child to complete the daily questions as we believe their critical thinking will really benefit as a result.

If you have any questions or queries please contact the QaD coordinator – Mr Glen Brien – glen.b@albasmaschool.ae.

Kind Regards,

Mrs Allison McDonald

Principal
