

PUTTING THE FUN BACK
INTO LEARNING!

Dear Parents and guardians,

We have had a very busy month with lots of great events such as International Day, Movie Night, Family Fun Day, Reading Week and World Book Day. Thank you for your continuous support and for helping us to make learning fun!

English

This month in English we are doing author studies. Miss Neasa, Miss Katie, Miss Lavanya and Miss Teena will be learning all about Julia Donaldson and the books she has written. Miss Amber, Miss Aneela and Mr Abdul will be learning about Roald Dahl. We will be reading, discussing and comparing books from the author and having a go at writing our own.

Maths

In Maths this month we are beginning with division. We will be developing our understanding of how to share numbers using practical and written methods. We will then be learning about time, recapping what we already know and learning new time-telling skills. We will finish the term with fractions- learning about halves, quarters and other fractions of number and shape.

Topic

In Topic we are learning about Florence Nightingale. Florence was a nurse who helped to change health care in many ways. We will be learning about what she did and how she helped so many people. We are waiting for Florence Nightingale projects to be submitted and these must be submitted by the 12th March.

Science

In Science we are now learning about plants. We will be learning about the parts of a plant and what plants need to grow. We will also be learning about different types of plants. We are looking forward to receiving your 'Cress Head' homework projects.

Notices

Thank you for all of your support over this fun and busy term. We will be continuing to work hard up to the end of term and throughout next term and hope your children will continue to attend school every day.

Please ensure children have all of the stationery they need in order to access their learning.

Please ensure all children are accessing bug club every day to read the books the teacher has set. Encourage the children to click on the bug in the text to check their understanding.

Please support us with our healthy eating initiative and send children with healthy snacks. Please remember, not nuts.

Thank you to those parents that ensure that their child is wearing the correct uniform, if you are unsure of uniform expectations please check this link to view the uniform section on our website. <http://www.albasmaschool.ae/pages/news/school-uniform> Winter jackets in all sizes are available in the uniform store in the city. Please see the website for the shop address.

Contact details for teachers:

Please find below the contact details for all teachers within Grade 1.

A – teena.t@albasmaschool.ae

E – aneela.k@albasmaschool.ae

B – katie.g@albasmaschool.ae

G – lavanya.m@albasmaschool.ae

C – abduwaheb.s@albasmaschool.ae

H – amber.b@albasmaschool.ae

D – naesa.m@albasmaschool.ae

Many thanks for your continued support.

The Grade 1 team
