How Can You Support Your Child's Learning?

- Ensure you check that your child's books are clearly highlighted and labelled. Children need one History copybook and one Geography.
- Ensure your child has all necessary lesson equipment, such as glue sticks and scissors, in class to avoid wasting time during lessons.
- Practice key words and long answer questions with your child for all topics covered in class. Challenge your child and give them a written quiz at home.
- Check your child's organiser and homework every evening in order to reinforce concepts covered in class.
- Revising and researching topics on the internet will aid their learning. Refer to useful websites e.g. BBC Bitesize.
- Watch YouTube videos related to relevant topics for further understanding.

Upcoming Events

- Grade Six to Ten Parents' Evening will take place on Monday 30th October and Sunday 5th November.

Kind regards,

The Humanities Team
