

How to Register as a Parent in uTraak platform?

1. Open the uTraak app website <http://app.utraak.com/>
2. The Login page will be displayed. Click the Parent Registration link.

The screenshot shows the uTraak login page. At the top, the uTraak logo and version number 'V01' are visible. Below the logo, there are input fields for 'Email' and 'Password'. A 'Forgot password?' link is located next to the password field. A red box highlights the 'Parent Registration' link, with a red arrow pointing to it. Below the link, there is a 'Log In' button. At the bottom of the page, there is a copyright notice: 'Copyright © 2015 Entapza. All Rights Reserved.'

3. Provide the required details to Sign Up as a Parent.

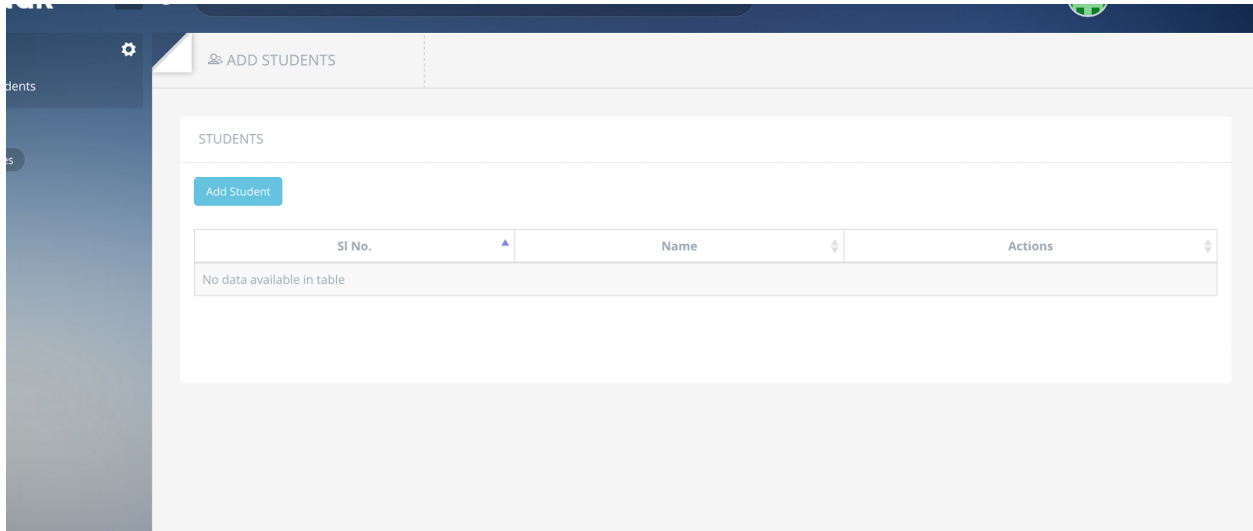

The screenshot shows the uTraak parent registration page. At the top, the uTraak logo and version number 'V01' are visible. Below the logo, there are input fields for 'First Name', 'Last Name', 'Email', and 'Mobile'. The 'Email' field contains the text 'guardian@email.com' and the 'Mobile' field contains '050xxxxxxx'. Below the input fields, there are two buttons: 'Back to Login' and 'Register'. At the bottom of the page, there is a copyright notice: 'Copyright © 2015 Entapza. All Rights Reserved.'

4. The system will send the generated password to the provided email.
5. Using the registered email and password parent can login to the application.

How to add my children to view the tracking?

1. By default there will not be any student added to the parent account.

2. Click on the Add Student button which will ask for RFID Card number.
3. Enter the RFID Card number and submit.
4. If the provided card number is valid the student will be added to your account and you can view the tracking.
